The reviewer's comments have been listed in order below in italic text, followed by our responses in normal text.

Reviewer 1

Q 1.1 I have a concern about XXX.

Reply: Thank for for noting this limitation in the original manuscript. We have significantly revised Section 5 to further document ...

Q 1.2 I have a concern about YYY.

Reply: Response ...

Reviewer 2

Q 2.1 I have a concern about XXX...

Reply: We agree with this suggestion, and have documented our revisions in the response to Q 1.1, where another reviewer made a similar suggestion. *[Note the use of label and ref to refer to a prior comment.]*
